I. INTRODUCTION

In connection with the Company's plan to buy back shares and with the determination of significantly fluctuating market conditions pursuant to Financial Services Authority Letter No. S-17/D.04/2025 dated 18 March 2025 concerning Implementation Policies for Buyback of Shares Issued by Public Companies Under Significantly Fluctuating Market Conditions ("**OJK Letter S-17/D.04/2025**"), with this Disclosure of Information, the Company proposes to buy back the Company's shares that have been issued and listed on the Indonesia Stock Exchange ("**Share Buyback**") which shall be conducted in accordance with the following regulations:

1. Financial Services Authority (*Otoritas Jasa Keuangan*/"**OJK**") Regulation No. 13 of 2023 concerning Policies to Maintain Capital Market Performance and Stability under Significantly Fluctuating Market Conditions ("**OJK Regulation No. 13/2023**");
2. OJK Regulation No. 29 of 2023 concerning Buyback of Shares Issued by Public Companies ("**OJK Regulation No. 29/2023**"); and
3. OJK Letter S-17/D.04/2025.

The estimated schedule, cost of Share Buyback, and estimated nominal value of all shares for buyback are as described below. In accordance with OJK Letter S-17/D.04/2025 and OJK Regulation No. 13/2023, the Company's Share Buyback plan can be carried out without obtaining approval from the Company's general meeting of shareholders.

II. INFORMATION REGARDING THE SHARE BUYBACK PROGRAM

In compliance with OJK Regulation No. 13/2023, the Company hereby conveys the following Disclosure of Information:

A. Estimated Schedule, Cost of Share Buyback, and Estimated Nominal Value of All Shares for Buyback

Estimated Schedule

1.	Submission of Disclosure of Information to the Financial Services Authority (<i>Otoritas Jasa Keuangan</i> /OJK) and the Indonesia Stock Exchange (IDX) regarding the Share Buyback Plan	4 September 2025
2.	Estimated Schedule for Share Buyback Period	4 September – 3 December 2025

The Company may terminate the Share Buyback period before the time limit specified above if the cost of the share buyback and/or the target nominal value of all shares for buyback has been met, or for other reasons at the Company's discretion, with due regard to the provisions of the applicable laws and regulations. The Company shall make a disclosure of information concerning the termination of the Share Buyback.

Estimated Cost of Share Buyback

The Company estimates that the cost of the Share Buyback (excluding transaction costs, brokerage commissions, and other costs related to the Share Buyback) shall be a maximum of IDR 200,000,000,000.00 (two hundred billion Rupiah).

Estimated Nominal Value of All Shares for Buyback

For Share Buyback, the estimated nominal value of all shares for buyback by the Company shall be approximately 0.5% (zero point five percent) from the Company's issued and paid-up capital, or equivalent to approximately 296,000,000 (two hundred ninety six million) shares.

B. Management Discussion and Analysis Regarding the Impact of the Proposed Share Buyback on the Company's Business Activities and Future Growth, Estimated Decline in Company Revenue as a Result of Share Buyback and Impact on Company Financing Expenses

The Company believes that the implementation of the proposed Share Buyback will not have a material impact on the Company's revenue, business activities, and financial performance. The Company's Share Buyback shall utilize the Company's internal funds and shall be carried out by taking into account the Company's financial condition, working capital requirements, and sufficient funding sources. This Share Buyback is expected to maintain share price stability in the future and provide flexibility to achieve a more efficient capital structure.

C. Proforma of the Company's Earnings Per Share after Implementing the Proposed Share Buyback (taking into account the Decrease in Revenue)

The Company's Pro Forma Earnings Per Share ("EPS") after implementing proposed Share Buyback will increase due to the reduction in the number of outstanding shares. Below are the movements of several financial indicators, including the Company's Earnings per Share before and after the implementation of the Share Buyback:

Expressed in billions of Rupiah

Financial Indicators	30 June 2025	Pro Forma	Impact
Asset	77,630	77,430	(200)
Equity	19,904	19,704	(200)
Net Profit	1,648	1,648	-
EPS (full amount)	33.17	33.37	0.20

Assumption: The Share Buyback will be for a maximum amount of IDR 200,000,000,000 (two hundred billion Rupiah) or equivalent to approximately 296,000,000 (two hundred ninety-six million) shares.

D. Method of Share Buyback and Restriction on Share Price for Share Buyback

The method of, and share price restrictions in, implementing the Share Buyback shall be carried out by the Company in accordance with the provisions of OJK Regulation No. 29/2023.

The Company shall appoint PT BCA Sekuritas to conduct the Share Buyback during the Share Buyback period with due regard to applicable laws and regulations.

E. The Company's Share Buyback Implementation Period

The Share Buyback shall be implemented within a maximum period of 3 (three) months following submission of this disclosure of information to the OJK and the Indonesia Stock Exchange, i.e., starting from 4 September 2025 until 3 December 2025, subject to early termination by the Company.
